

THE LONDON DAILY PAPERS.  
(Daily Telegraph.)

Painful scenes were witnessed at the Greenwich and Woolwich Police-courts when sentences as passed on six men in the former and twenty-three in the latter, who had, on account of the gas-bikers' strike, absented themselves from the works of the Surrey Consumers' and the Becton Companies without due notice. The men were ordered in each case to be imprisoned for six weeks, with hard labour.

ness. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which very few in our country are perfectly acquainted. The authorities resident in England and interested in China it cannot but be invaluable occasionally. It comprises upwards of two thousand large octavo pages.
